One company answerable for *the whole job*.

The people who draw your project can also build it, fit it out and bring in the materials and equipment it needs.

01 Design to delivery

Drawings, construction, fit-out and transport are handled by one company, so nothing falls between contractors.

02 Salalah office, all of Oman

Our office is in Salalah, close to the Port of Salalah. We take projects anywhere in Oman.

03 Registered and licensed

Commercial registration active until May 2030. Ministry of Transport licence for trucking goods and equipment in Dhofar.

We are an Omani company based in Salalah. We quote in writing, keep sites safe, and hand over on the date we agree.
